Single Door Reach-in Refrigerators and Freezers

- *Tested to NSF Standard 7 requirements for open food storage.*
- *Arctic Air products must pass numerous quality control inspections throughout the manufacturing process. All products are operated and monitored for a minimum of thirteen hours prior to packaging and shipping.*
- *All Arctic Air products come with full one year parts and labor warranties and a five year compressor warranty.*

Single Door Reach-in Refrigerators and Freezers

Stainless design • Stellar performance • Superior value.

- Electronic thermostat with external digital LED display for accurate control and easy reading.
- Interior cabinet is bright white aluminum liner with full stainless steel floor with coved corners.
- Three adjustable, heavy-duty epoxy coated wire shelves.
- Self contained capillary tube system using environmentally friendly CFC free refrigerant (R404A in freezers and R134A in refrigerators).
- Exterior cabinet construction consists of full stainless steel front and sides.
- Condensate heating element built into condensate pan for efficient evaporation of excess water.
- Bottom mounted compressor for more efficient operation in coolest area of the kitchen.
- Front accessible, bottom mounted condensing unit is mounted on slide out rack for easy maintenance.
- Easy to mount casters (two lockable) are standard with all units.
- Self closing doors that remain open at 90 degrees.
- Freezer doors have integral factory installed heating element to eliminate condensation.
- Magnetic door gasket is removable and replaceable without tools.
- Field reversible, lockable door with foamed-in-place recessed handle.
- Larger fan motors and blades for more efficient air flow ensuring faster recovery times.
- Unit holds full size sheet pans front to back. With optional Pan Slide Kit (#65100) you can outfit half of the interior (full interior with two kits) with racks that hold eight standard sheet pans.
- Tested to NSF Standard 7 requirements for open food storage.
- All Arctic Air products come with full one year parts and labor warranties and a five year compressor warranty.

Model Number	External Dimensions			Doors	Shelves	Cubic Feet	Temperature Range	Cord Length	HP	Amps	NEMA Plug	Crated Weight (lbs.)
	Width	Depth*	Height**									
AR23	26.75"	32.75"	82.75"	1	3	23	33°F to 41°F	9	3/8	6	5-15P	310
AF23	26.75"	32.75"	82.75"	1	3	23	-10°F to +10°F	9	5/8	9	5-15P	325

*Depth with door open 90° — AR23/AF23 = 57.5" **Height includes 6" for casters

Optional Shelf Kit (#65055K)

Each kit contains one shelf and four mounting clips.

Optional Pan Slide Kit (#65100)

You can outfit half of the interior (full interior with two kits) with racks that hold eight standard sheet pans.
